

## 72<sup>ND</sup> MONTANA JAYCEES PRESIDENT

I am honored to serve as your 2010 Montana Jaycees State President. I believe being a Jaycee is the Best Work of Life. I want to make sure the Montana Jaycees are here for my children when they are old enough to fill out that application. (Christina in March!)

I joined the Havre Jaycees in 1999, simply looking for something to do in my community. My dad, a JCI Senator, received a Havre Jaycee Newsletter and it got me interested. I made a phone call to Lita Thisselle and walked into a meeting not knowing what to expect. I was welcomed with open arms, and my first office as it was almost the beginning of a new year. :-)

I have held many Havre Jaycees offices, including Chapter President in 2005. I have been on the Montana Jaycees Board of Directors as Secretary, District 1 Director, Treasurer, Newsletter Editor, Community Development Vice President and Individual Development Vice President.

The Montana Jaycees awarded me with the Gary Meyer Excitement Award in 2006 and the Al Rickard Ultimate Jaycee Award in 2008. Through the US Jaycees, I have received the M. Keith Upson Memorial Award (2003); R. Bradley Trafton Award (2004); Dennis Hamilton Memorial Award (2008).

I am married to Cliff Plum, a Past State President, and JCI Senator #68100, and we have two children, Christina 17 and Zachary 15. Not only are we active in Jaycees, we are also High School Youth Leaders at our church.

I believe the Montana Jaycees is the "Best Work of Life", and I hope you share Jaycees with everyone you know! My goal this year is to visit with chapters and share my excitement for Jaycees with everyone! We have a huge state and there is no reason we can't make new friends in new towns throughout Montana.

In Jaycees,  
Chamene Plum  
72nd MTJC President
