## Build Relationships, Enhance Your Skillset & Engage with Your Community

JCI USA exists to Empower You! You are active young citizens ages 18 to 40, who bring energy and insight, while uniting with one another, to solve local and global issues affecting us all.

Through our Active Citizen Framework, our members identify local/global problems by meeting with fellow community leaders/stakeholders to discover the largest issues occurring, then partner, and collaborate to find solutions to create sustainable change.
