

Well hello there! I am Erin Pulse. I am a happy mother of three (four if you count my husband). I live in Havre. I am originally from Moore. We have lived Havre for going on 9 years now and if we would not have moved here, I would never have had the chance to be a Jaycee. I have been a Jaycee for three years now and I have held two positions on our chapter board and now I am going on my second year as a state board member.

For those of you who know me, I call my state position as a “Glorified Gopher” but being the Administrative Assistant is not a job I take lightly. My job is very important to me and the Executive Vice President. I take some of pressure off the Exec VP. Little jobs can be hard to handle when it comes to Convention time and that is where I come in. I do those little jobs so that the VP can do the bigger ones.

I am very much looking forward to being the AA again this 2017 year, and I love being a Jaycee!!
